

September 24, 2004

Dear Friend,

A long-time friend of higher education and an outstanding public servant needs our help. As Chairman of Appropriations, Representative Heflin faced the worst budget shortfall in Texas' history - \$10 Billion. Working in a bipartisan manner, Chairman Heflin led his committee to balance the budget while maintaining quality services and without raising taxes.

Chairman Heflin was strongly committed to helping UT remain an institution of the first class and helped with the potentially devastating budget crisis. Now Chairman Heflin is in an extremely competitive race, most consider it among the top two or three races this election period. Please join us in thanking Chairman Heflin for his exceptional service to Texas by helping his re-election campaign.
